20 In regard to the ways & means of financing the scheme, the M.C. have resolved on 25/7/48 to

meet one fourth (¼) of the estimated cost i.e. Rs 3319/- & the Govt the balance viz Rs 9938/- to be given as an outright grant from the Govt. From the figures relating to the financial condition of the Municipality for 1945-46 & 1946-47 noted above (Para 16 & 17), it is seen that the Municipality is not really so impecunious as to not to be able to contribute half the cost of the scheme & as relating to giving duty of the Municipality to promote greater especially to such low paid employees on a Railroad Municipality like Sangam. The Municipality may therefore be directed to meet half the cost of the estimate out of its funds, the balance being given as an outright grant from Govt out of the Town

Sir

11/5/48 Subject Re Government grant for the Municipal Sweepers' Colony

I have the honour to state that the Municipality has taken up a scheme of housing all the municipal sweepers numbering 40 in a separate colony for which a definite place has been alloted by this municipality in S No 6 of Markodu village which has just been taken possession of adjoining the Municipal limits of this town It is proposed to take up the construction of about 10 houses this year so that all the sweepers may be housed within four years under a regular programme chalked out for this purpose

Estimate amounting to Rs 13 250/- prepared for the construction of 10 houses in 5 Units of 2 each has been enclosed with the plan of the houses As this Municipality has very slender resources and has no funds for taking up this scheme of housing the sweepers which is a very essential requirement of the sweepers this municipality which met on 14th April 1948 has resolved to request the benign Government for sanctioning this sum as a Government Grant for the improvement of the town

The Municipality has just obtained an extent of 44 acres of land from Government at an upset price Suitable extent of land is alloted for the sweepers' colony The municipality will be taking the responsibility of providing roads drains lights and water facilities to these sweepers in addition to providing suitable place

As the Municipalit has also to spend huge sums for providing other

other facilities as described above the Government may be pleased to sanction a sum of Rs 13 250/- as a generous grant this year for the construction of sweepers' houses Town Improvement Grants have not been sanctioned to this Municipality since a long time as is sanctioned yearly in the case of other Municipalities The copy of the Memorandum Council Resolution is enclosed for Kind Reference

With reference to our letter No L 17189/VI 29-5-48 calling for opinion on the Scheme for sanction of Government Grant for Municipal Sewerage Colony at Sagar I have the honour to state as follows

Sr 105

The President Sagar Town Municipal Council has addressed the Deputy Commissioner also with estimate and Resolution on the same subject The correspondence is herewith enclosed for reference The Municipal Council resolved on 14-4-48 at the meeting held that 5 units of two quarters each at an estimated cost of Rs 13250/- be constructed for Sweepers i.e each unit estimated at Rs 2650/- The estimate is scrutinised by the Assistant Engineer Sagar For this the Council proposed for grant of the entire estimated cost The proposals were returned for [illegible] maintain the contribution of the Municipality as the houses become the property of the Municipality The Municipal Council has resolved on reconsideration on 25-5-48 that it is agreeable to pay 1/4th the estimated cost as it has schemes on hand one for which funds are to be provided and this will have to be provided out of closing balance of the Municipality

As it is very necessary to provide quarters for the sweepers of the Sagar Municipal Staff I request for sanction of the scheme with a Government Grant equal to 3/4 of the estimated cost which works to Rs 9938/- and also for sanction to retain Rs 3312/- the Municipal quota out of the closing balance of the Municipality
